Re: Teacher Appreciation

Dear Dr. Seidman:

I am writing this long overdue letter to express my gratitude and appreciation for the teachers at ACW at the Langhorne location. Will is our second child to attend ACW and we have appreciated the quality of the care and education both of our children have received throughout their time at ACW. We have had the pleasure of having our children cared for and educated by teachers such as Ms. Nicole, Ms. Christie, Ms. Erica, and Ms. Sherry, just to name a few. We have also enjoyed working with Tina Kearney, Director of Operations, for her warm smile every morning and attention to any concern or question. From the tender loving care our son received as an infant and pre-schooler in Ms. Erica and Ms. Christies' classes to the strong reading skills our daughter learned from Ms. Sherry in kindergarten, we have been so happy that we chose ACW.

Most recently we have been overwhelmed with the dedication and hard work of our son Will's two teachers in the Sr. Dinomite room, Ms. Claudia and Ms. Kelsey. Will has been receiving treatment through the Intermediate Unit as well as private Occupational Therapy services. Ms. Claudia and Ms. Kelsey have been so receptive and accommodating to Will's treatment team, welcoming and implementing therapeutic strategies to help improve his writing skills, ability to focus, and participate in the classroom. We have received wonderful feedback from his OT about their willingness to work with her and to adopt recommended interventions. They keep me updated on Will's daily progress and have been instrumental in helping him become potty trained. They are so gracious and thank us for having his OT come in to provide instruction! We are the ones who are thankful for their initiative and hard work! Through their dedication and devotion, Will has been able to make so much progress in their classroom. I am touched by the love they show my child and the joy we all share in Will's accomplishments.

Words truly cannot how thankful we are for having Ms. Claudia and Ms. Kelsey in Will's life. We look forward to continuing to work with them and the other teachers that Will will have the pleasure of being with in the years to come.

Sincerely,
