Dear Andrea,

I wanted to let you know how happy my children, Bailee and Adam, have been at A Child's World this year. They will be leaving for the summer and returning in September.

Adam, who was in the teetertots class, has made such incredible growth this year. Both Suzanne and Danielle have given him the extra attention that he needed to increase his verbal skills, which had been a weakness for him. It is obvious that Adam feels loved and happy throughout the day.

Bailee, in the Sr. Dynamites, will be very sad to be leaving Missy and Marques. They allowed her the freedom to be creative and enthusiastic, while still establishing boundaries. She amazes me with the vocabulary she repeats that she has learned at school (both English and Spanish).

Since I, too, am an educator, I understand the difficulty of making each day an enjoyable and worthwhile experience for the children. All of your teachers do just that. We look forward to continuing at A Child's World until the children go to elementary school.

Thanks for a great year,

Stuart and Karen Plotnick
